Draper, Utah 84020

Subject: Notice of File Closure and Release of Reclamation Surety, CMC Rock Point South Mine, S/035/0041, Salt Lake County, Utah

Dear Mr. Parsons:

The referenced Notice of Intention to Commence Small Mining Operations, located in Salt Lake County, Utah, will now be closed and the file retired.

The site was inspected on April 29, 2015, and it was determined that reclamation grading has been satisfactorily completed for the CW Pit Large Mine Operation (LMO), permit number M/035/0049, which overlies the same area as the CMC Rock Point South mine. Please find enclosed the original reclamation contract for your disposal or records.

The Division hereby releases you from further reclamation responsibilities for the small mine site S/35/0041. Please be advised the LMO for the CW Pit area has not yet achieved revegetation success required by the Division. The Division currently holds a reclamation surety of \$32,000 until revegetation is successful for the LMO.

Please contact Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have any questions or concerns regarding this action. Thank you for your cooperation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
